ANTI-BULLYING BULLETING BOARD CONTEST

Winners of the anti-bullying bulletin board decorating contest were announced! Our winners are, Ms. Rau in 2nd grade, Ms. Menchaca in 3rd grade and Ms. Plaza in 6th grade. Winners will receive a popsicle party, way to go!

WE HAVE A COURTROOM!

CPLA students are becoming Leaders in Citizenship! Over the fall break a portion of our library was transformed into a courtroom. Students will have the opportunity to participate in mock trials, congressional hearings and other projects to help build a real world understanding of how our government works. We are so excited to offer this valuable learning opportunity to our students.

KG TESTING HEART BEATS

Kindergarten used a tube to their hearts. They ran, jumped and skipped to hear it beat faster. Then they graphed their healthy body to see which one was the fastest.

ASU PREP DIGITAL ACADEMY COURSES

Our Middle School Gifted students are all set up for enrichment courses through ASU Prep Digital Academy! We're excited to see their growth through this program.

MEET OUR STAFF MONDAY!

5TH GRADE

MEET OUR FIFTH GRADE TEACHERS

Left: Ms. Wilson, "I am excited to be at Lakin Prep because of our incredible staff, new facilities, and our goal to become an International Baccalaureate school. When I was in high school, I participated in IB and it was incredibly impactful to my learning. I'm looking forward to seeing the students at Lakin Prep be impacted positively by this world-minded and rigorous program. Right: Ms. Barnes, "I'm excited to be at Lakin because everyday I come to work with the best coworkers, and then get to teach the best students!"

Littleton Elementary School District's GOOD NEWS

LEADERS IN LEARNING, CARING AND GROWING

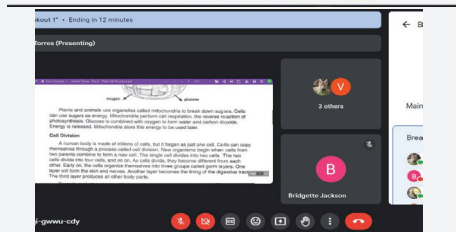

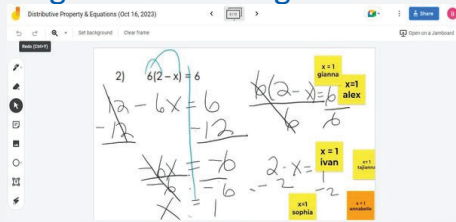

KG OBSERVING OUR EPIC EXPECTATIONS

All our Firebirds came back ready to work and review over their EPIC expectations around campus. Our Kinder Firebirds are busy at work and getting back into the grove the first week back from break!

JAMBOARD AND KAMI ONLINE TOOLS

We love online tools that engage students in learning! 8th grade practiced solving equations using the distributive property using a Jamboard, submitting work on their sticky notes. In science, 7th graders are reading about the anatomy of plant cells and labeling the parts on a diagram using Kami.

HANDS ON LEARNING

Miss Lopez took her kids out for some hands on learning! They were asked to tell what objects were using complete sentences. They did a great job!

UNITY DAY TO END BULLYING

Unity Day wearing orange! Our pledge to end bullying.

DESERT DRUG DOG PARTNERSHIP WITH LESD

Creating a safe learning atmosphere is a top priority at all Littleton District academies. Our partnership with Desert Drug Dog is a great example of a way we help to keep our sites safe! Today, they visited Country Place Leadership Academy and showed up in the courtroom too!
